

Tsuen Wan Trade Association Primary School

Circular no.: 17-009/D09

1st September, 2017

Dear Parents,

Circular on the Parents' Communication Policy

Strong teacher-parent relationships are always important for our school. To build up more communication channels so that parents can communicate with us easily and to foster the relationships, teachers' email addresses are available on our school website. Besides, to facilitate the contact between our students and their teachers, WeChat groups will be created for each class in September. Parents are welcomed to text the teachers through the groups before 7 p.m. during the school days. The WeChat groups will be deleted at the end of the school year.

For enquiries, please contact our Innovation and Technology Master Mr. WONG Wai Kit.

Yours faithfully,

Chow Kim Ho
