

Tsuen Wan Trade Association Primary School

Circular no. : 17-038/D07

9th October, 2017

Dear Parents,

Circular on Arrangement of Bringing Smartwatches to school

Science and technology changes every day. Smartwatches can be used not only for telling the time, but also for communicating and taking photos. However, we find that using smartwatches at school would affect students' attention in class. So, it is not suggested that students bring their smartwatches to school. If it is necessary for your child to bring a smartwatch, please seek approval from the class teacher by stating the reasons in detail in a letter beforehand. Students are not allowed to bring their smartwatches to school unless they have got the permission from the school. Students ought to hand out their smartwatches before the lessons and get them back after school.

For enquiry, please contact our Discipline Master, Mr Ho Hing Wing.

Yours faithfully,

Chow Kim Ho
