Dear Parents,

Circular on 1st Term Parents' Day, Talk on Speech Problems and Book Fair

Parents' Day can help enhance communication between parents and our school. It can also help students to learn and grow. In order to strengthen our communication with you, and for your better understanding of how your child is getting on his/her studies, you are invited to attend the Parents' Day which will be held on 27th November (Monday). Students must be in proper uniform.

On the same day, our school's speech therapist, Miss Chan Wai-yin, will give a talk titled "Sound Engineering ----- Understanding Speech Problems" at the school hall. It helps parents familiarize with their children's common accent and speech problems. It also promotes a better understanding of the correct pronunciation of our language. All parents are invited to participate in this talk.

In addition, a book fair will be held in the activity room on the ground floor. Parents can buy suitable books for your children to read to enhance their reading interest.
