Circular 17-069/D01
23rd November, 2017

Dear P1 Parents,

Circular on Purchasing Primary 1 Phonics Self-Study CD

To learn English effectively, it is very important to let students learn phonics at their early ages. Our school based English curriculum stresses the importance of phonics teaching. We teach students phonics in a systematic way and let them master the skills and arouse their phonemic awareness. There is a Primary 1 Phonics Self-Study CD accompanied with the school-based phonics booklets. Our school will arrange bulk purchase of the CD and the price is \$20. Parents can decide whether to purchase at their own discretion.

If parents have decided to purchase Primary 1 Phonics Self-Study CD through the school, please hand in the reply slip of this circular to the class teacher and pay for the CD through Octopus.

For enquiry, please contact the deputy head teacher Ms. KO Ka Foon.

Yours faithfully,

Chow Kim Ho
