

Tsuen Wan Trade Association Primary School

Circular no.: 17-176/D09

18th May, 2018

Dear Parents of P.3-P.6 students,

Circular on Kids@UST Science/Mathematics Workshop

Broadening students' scientific and mathematical horizons is one of our aims. We encourage students to participate in various types of competitions and activities. A half-day Kids@UST Science/Mathematics Workshop organized by the Education Development Program in the Hong Kong University of Science and Technology will be held soon. We recommend students participate in the activity. The details are as follows:

Date	21 st July, 2018 (Saturday) or 28 th July, 2018 (Saturday)	
Venue	HKUST Campus	
Courses	<p><u>Science Workshop</u> <u>UST Sorcerer</u></p> <p>We have invited the most powerful magician in the universe to teach the students how to cast a spell without saying: abracadabra boom...</p>	<p><u>Mathematics Workshop</u> <u>Around the world</u></p> <p>By observing a map, students can learn how to use the scale bar, coordinates system and directions to have a more relativistic view of the world.</p>
Target student	P.3-P.6 students	
Fees	HK\$ 650 each session	
Application	Online application (for more details, please check the following website: www.kids.ust.hk)	
Deadline of application	From now to 11 th June, 2018	

If your child would like to join this activity, you need to apply and make the payment directly to the organization. You can contact the organization at 3469 2673. Also, parents should arrange the necessary transportation. Should you have any questions, please feel free to contact our teacher-in-charge, Mr. WONG Wai Kit.

Yours faithfully,
Chow Kim Ho
