Tsuen Wan Trade Association Primary School

Dear Parents,

Circular on Jump Rope for Heart Programme and Fundraising Activity

By promoting healthy lifestyle and encouraging students to do exercises, heart health education and skipping techniques are conducted in our school. Besides, we join the Jump Rope for Heart Programme (JRFH) every year. JRFH is a long-term heart health promotional programme and it needs your support in raising funds. Therefore, our school will hold a fundraising activity from 1st June to 10th June, 2018. We hope that you will permit your children to take part in this meaningful fundraising activity. Please note that this is a voluntary activity. You may decide whether to donate or not. A receipt can be issued for the donation of $100 or more.

Please note that a set of JRFH souvenirs will be awarded to students by the organizer for donations over HK$20 whereas 15% of the funds raised will be donated to our school for organizing the Rope Skipping Fun Day and other related activities.

Please complete the Reply Slip below and return it to the class teacher together with the funds raised on or before 11th June, 2018. If you have any queries, please contact Ms.Tsui Chi Lai.
