

Dear Parents,

**Circular on Understanding Adolescent Project's(UAP) Questionnaire "Hong Kong Student Information Forms"**

To assist teenagers in their personal growth, the government has launched the UAP since the 2004/05 school year voluntarily. The target participants of this program are primary 4 students. The objective of the programme is to identify students' development needs through a designed questionnaire, "Hong Kong Student Information Form," and to provide them with comprehensive "assisted courses". It also enhances students' resilience in coping with challenges.

Our school has always been paying attention to the whole-person development of students. Therefore, we will participate in this program and arrange students to fill out the questionnaire "Hong Kong Student Information Form". Student's personal data collected through the questionnaire will only be used to identify the student's development needs. All data will be treated confidentially. Please complete the following parental consent form and return to the class teacher.

For enquiry, please contact Ms. Cheung Yan Ting or Ms. Tam Sze Wah.

Yours faithfully,

*Chow Kim Ho*
