

Circular on Straighten Up Kids Territory Wide Flag Day Event-Volunteer recruitment

Dear Parents,

Children Chiropractic Foundation is the only charity organization concerning kids' spinal health, members of The Hong Kong Council of Social Service and The Community Chest of Hong Kong. The main goal is to raise awareness of spinal health through Straighten Up School Scheme, Straighten Up Ambassador Training and community education. They are serving over 313 school (192 kindergarten and 121 primary schools) which are committed to promote spinal health. The accumulative number of beneficiaries have been more than four hundreds thousands. Their health centre 'Kids First Chiropractic Center' provides 'Student Chiropractic Care Program' to safeguard the spinal health of 9847 kids. Their complementary treatment scheme has served over 294 kids with free spinal check and adjustment. 125 kids have regained a healthier spine and enjoyed fruitful life after the treatment.

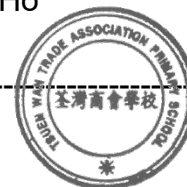

This year the social welfare department has approved their application to hold a territory wide Flag Day event. Donation would be used to increase quota for the 'Children Complementary Chiropractic Adjustment Program' and different community services. As one of the beneficiary schools, we fully support the Flag Day event as we really appreciate the contributions made by Children Chiropractic Foundation to the spinal health of our next generation. In addition, it is a very good exposure and valuable experience for your kids to serve the community. Volunteer can receive a free spine check coupon and student can receive a certificate of service .Details of Flag Day event are as follows:
