

Tsuen Wan Trade Association Primary School

Circular 19-006/F04

2nd September, 2019

Dear Parents,

Circular on Tropical Cyclones and Heavy Persistent Rain Arrangements

When the EDB announces that classes of whole-day schools are to be suspended when tropical Cyclone Signal No.8 is issued or there is persistent rain (Red/Black Rainstorm Warning Signal is issued), students should stay at home or a safe place. We will arrange staff to look after those students who have come back to school. If the EDB announces that classes of whole-day schools are to be suspended during the school hours, all the lessons will be continued until the end of normal school hours. Parents can come to school to pick up their children. Otherwise, students ought to stay at school until the end of normal school hours. We shall ensure the conditions are safe before allowing students to return home. Parents should also pay particular attention to the message sent by the school or the announcements made via radios, televisions or webpages.

For enquiry, please contact our Discipline teacher, Mr. Ho Hing Wing.

Yours faithfully,

Chow Kim Ho
