Circular no. : 19-073/F04

2<sup>nd</sup> December, 2019

Dear parents,

**Circular on Recruiting Bright Smiles Ambassadors**

The Bright Smiles Campus Programme is a school-based oral health promotion programme for primary school students. It aims to empower the students to improve the cleanliness of their teeth. Its objective is to increase the percentage of children with cleaner teeth. Our school will nominate senior grade students (P.4-6) to be trained as Bright Smiles Ambassadors. A half-day leadership training workshop is given to equip the Ambassadors with presentation skill and basic oral care techniques. These Ambassadors will be commissioned to promote the I WILL BRUSH Activity to the P.1 to P.3 students in school to encourage them to brush their teeth thoroughly clean on their own initiative. At the end of the activity period, teachers will issue the award certificates according to the students' accomplishments. The Bright Smiles Campus programme provides an interactive caring platform in the school, for the senior students to build kind relationships with the juniors. As a result, the school will effectively be filled of bright smiles and loving hearts.

Please encourage your child to participate in this programme. For enquiries, please contact our teacher Ms. Poon Yuk Chi.

Yours faithfully,

*Chow Kim Ho*
