

Circular on the Student Grant Approved by EDB

Dear Parents,

As part of the \$19.1 billion relief measures announced by the Financial Secretary in August 2019, a one-off student grant of \$2,500 will be provided in the 2019/20 school year for each secondary day-school, primary school and kindergarten students, so as to alleviate parents' financial burden in educational expenses. The student grant will be non-means-tested. All eligible students may receive the grant.

The application form is attached. Please fill in all the required information of the application form and return it to the class teacher. Only one application can be submitted for each eligible student. The completed application form must be submitted through the student's attending school. Applicants should read carefully the "Notes to Complete this Form" and the "Declaration" before completing the "Student Grant" Application Form.

Education Bureau expects to start disbursing the subsidy to parents of eligible students in about six weeks after receiving the applications. As parents generally possess local bank accounts, the subsidy will be disbursed to parents via bank transfer. Failure to provide the required information may result in delay or non-processing of the application, so parents are reminded to fill in the correct information (e.g. bank account, name of applicant).

For enquiries, please call the EDB's hotline 38502000 or contact Mr. Tam Wai Wa.

Yours faithfully,

Chow Kim Ho
