

Dear Parents,

Circular on SSPA 2019/2021 arrangements for 1st and 2nd Internal Assessments

According to the circular 19-105, we postponed the P.5 2nd term internal assessment in 2019-2020 to P.6 1st term in 2020-2021. In August, the Education Bureau(EDB) announced to suspend the face-to-face classes and on-campus activities, the schedule and arrangements for class resumption in Hong Kong have yet to be confirmed for P.6 cross-border students. The EDB provide schools in need with greater flexibility under the current epidemic, which includes:

1. Conduct examinations for students upon commencement of the new school year by making appropriate arrangements.
2. Consider adopting school-based internal assessments for the students concerned in a professional manner as a replacement for P.5 2nd term internal assessment.
3. If schools encounter difficulties in considering internal assessments and therefore students' scores in each subject can't be assessed, they may consider submitting an integrated rank order of all P.6 students.

Due to the impact of the epidemic, the EDB understands that some schools may encounter diverse difficulties and manage to conduct only one internal assessment before the Discretionary Places stage. Our school will submit the two internal assessment scores of our students in a combined way for the preparation of the Rank Order List.

As suggested by EDB, relevant internal professional assessments should be devised with the help of evidence-based assessment materials. Schools may consider drawing reference from students' performances in P.5 1st term examination, it included all subjects which needs to be submitted in internal assessment. So, we decided to use the scores in the P.5 1st term examination as the combined internal assessment score, which is the best method upon the above.

To summarize, the SSPA 2019/2021 arrangements are as follows:

- ① We will submit the students' result in P.5 1st term as the internal assessment scores in a combined way before the Discretionary stage.
- ② The tentative date of the next internal assessment for SSPA will be held in late March, we will make the announcement if there will be any change.

For enquiries, please contact Mr. Cheng Chung Hang.

Yours faithfully,

Chow Kim Ho
