

# Tsuen Wan Trade Association Primary School

Circular 20-047/G01

7<sup>th</sup> January, 2021

Dear Parents,

## **Arranging a small number of students to return to the campus to attend face-to-face classes**

The arrangements on the continuation of suspension of face-to-face classes for schools was released by Education Bureau on 4 January 2021. The new arrangements will allow our school to arrange a small number of students of any individual level to return to schools in the morning to attend half-day face-to-face classes.

The learning of students will inevitably be affected as they cannot return to schools for a prolonged period. Our school is keen to sustain certain face-to-face class time with students. The upper population limit of students to return to a school should be capped at one sixth of the school's maximum permitted capacity. After considering the factors of different learning needs and the number of students in different levels, our school will arrange students of Primary 1 and 6 to return to school for on campus learning in the morning starting from 11 January. Parents could choose whether they let their child to return to school for on campus learning or not. For those students who will not return to school, they still need to attend the online real-time classes.

Our school would have proper health protection measures. We also like to take this opportunity to remind parents to advise your children to maintain adequate social distances amongst classmates and have proper health protection measures. We hope that parents could join hands with us so that students can focus on their studies and grow healthily in a hygienic and safe environment. For further information or enquiry, please email to schoolmail@tw taps.edu.hk or call 2497 7911.

Yours faithfully,

*Chow Kim Ho*
