

Tsuen Wan Trade Association Primary School

Circular 20-065/G01

3rd March, 2021

Dear Parents,

Whole-school resumption of half-day face-to-face classes

According to the document of Class Arrangements for Schools after Chinese New Year Holidays released by Education Bureau on 5 February 2021, the EDB will allow those schools that can arrange all of their teachers and staff to take regular virus test to arrange whole-school resumption of half-day face-to-face classes in order to allow students more time to study on campus.

All the teachers and staff of our school completed the tests and we can arrange all of our teachers and staff to take regular virus test. There will be extra protection for students and teachers and a safer learning environment for students in our school. We are going to arrange whole-school resumption of half-day face-to-face classes starting from 4 March and it is approved by the EDB. Our school would continue to put in place the preventive measures stipulated in "Health Protection Measures for Schools" issued by the EDB and "Health Advice to Schools for the Prevention of COVID-19" issued by the Centre for Health Protection. Such measures include wearing masks all the time within school campuses, maintaining appropriate social distances, measuring temperatures of teachers and students at school entrances, etc. They are to safeguard the health of the teachers and students.

For further information or enquiry, please email to schoolmail@tw taps.edu.hk or call 2497 7911.

Yours faithfully,

Chow Kim Ho

Chow Kim Ho

Principal
