Circular 20-081/G05

22<sup>nd</sup> March, 2021

Dear parents of P.1-P.3 students,

**Circular on the Dream Reading Program**

Children's reading skills are important to their success at school. Our school, therefore, would like to foster a love of reading in your child through the Dream Reading Program. This program is launched this year and would focus on students from P.1 to P.3. It will offer three personalized books in which the student would be the main character. Parents can choose to buy the books optionally, with the price of \$120. Eligible students (including CSSA, full grant and half grant) will be sponsored for the cost.

Parents do not need to pay any fees at this stage. A book order form will be distributed for parents to choose 3 personalized books for your child. The first batch of book ordering is only available for students who can attend face-to-face classes in school.

For enquiries, please contact Ms Pang Ching Yiu.

Yours faithfully,

*Chow Kim Ho*
