

27<sup>th</sup> April, 2021

Dear P.3 – P.6 Parents,

**Circular on STEM Workshop of Popularisation of Science in the Forbidden City**

To deepen students' understanding of the Forbidden City in Beijing and increase students' interest in science, our school arranges students to participate in the "Traversing the Forbidden City" Series: Scheme for Kindergartens, Primary and Secondary Schools. It is jointly organized by the Leisure and Cultural Services Department and the Palace Museum. Students are now invited to participate in the STEM Workshop of Popularisation of Science in the Forbidden City to make optical instrument telescopes. The participants' finished products will be used in a drama performance at school. The details are as follows:
