

Dear Parents,

Circular on “Passion for Life” Training Programme

Our school intends to cultivate and develop students' personal qualities such as caring, appreciating and respecting others, and to let students practice their values and attitudes such as caring and respecting others in daily life. Our school participated in the Founding a Caring World for Children with Community Networking by the Po Leung Kuk and invited them to hold "Passion for Life" training programme for students. The group and community visit activities allow students to practice their appreciation and care for others. At the same time, we will also provide workshops for parents to let parents understand the characteristics of students from their personality and behaviour, to support students' growth. The group will be conducted online. The meeting ID and the password will be sent later. The details of the training sessions are as follows:

Date	From 4 th June and 11 th June, 2021 (2 sessions)
Time	2:30 - 3:30pm

For increasing the effectiveness of the programme, students' attendance is mandatory for all the activities. For enquiry, please contact Ms. Cheung Yan Ting or Ms. Tsui Chi Lai.

Yours faithfully,
