Circular 21-091/H01

14th April, 2022

Dear Parents,

Arrangements of Resumption of Face-to-Face Classes after Schools' Easter Holidays

All schools in Hong Kong will resume half-day face-to-face classes in an orderly and phased manner after the Easter holidays as originally planned in accordance with the latest development of the COVID-19 epidemic situation. Our school resumes half-day face-to-face classes by phases starting from 19 April 2022. P4-6 students should resume face-to-face classes on 19 April 2022 while P1-3 students could decide by themselves if they return to school to have lessons or not. Parents should have the transportation arrangement by themselves if P1-3 students want to return to school. We will continue to arrange online classes for P1-3 that have yet to resume face-to-face classes. According to the document released by Education Bureau, our school must resume face-to-face classes for the whole school by 3 May 2022 the latest.

Every teacher, school staff and student has to complete a Rapid Antigen Test (RAT) each day before returning to school (except for those recovered from COVID-19, they are not required to be tested within three months from the date of the recovery). RATs should be conducted in the morning and only persons obtaining negative results are allowed to return to school for work/lessons. Students and staff tested positive should inform the schools of their positive results as soon as possible and stay at home. They should also report to the Department of Health as soon as possible within 24 hours via the "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test". Schools are required to collect from all students the test results of RAT each day in the morning. Parents of students are required to report the test results on time. You should sign the form given by our school to report negative results each day before your child returns to school. We may conduct spot-checks and ask the students concerned to re-test as appropriate. Please take a photo of the test result each day for later check. If a test cannot be completed on time, the student concerned cannot attend lessons. We should inform the parents concerned and arrange the student to go home as soon as possible.

For further information or enquiry, please email to schoolmail@tw taps.edu.hk or call 2497 7911 to contact our Vice Principal, Ms. Ko Ka Foon.

Yours faithfully,

Chow Kim Ho

Temperature and Rapid Antigen Tests (RATs) record sheet

- Parents/Guardians should take their children's temperature before sending them to school. Children should not go to school if they have fever. (Different reference values for normal body temperature may be adopted for different measuring methods and instruments. Always refer to inserts and instructions that come with the thermometer.) They should consult a doctor promptly, apply to school for sick leave and take rest at home. For related information you may make reference to https://www.chp.gov.hk/files/pdf/guidance_note_on_monitoring_of_body_temperature.pdf.
