Tsuen Wan Trade Association Primary School

Dear Parents of P.3 students,

Circular on Understanding Adolescent Project's (UAP) Questionnaire "Hong Kong Student Information Forms"

To assist teenagers in their personal growth, the government has launched the voluntary UAP since the 2004/05 school year. The target participants of this programme are primary 4 students. The objective of the programme is to identify students' developmental needs through a questionnaire, "Hong Kong Student Information Form," and to provide them with comprehensive "assisted courses". It also enhances students' resilience in coping with challenges and difficulties. The selected students will be able to take part in a series of UAP activities that will be launched in the 2022/23 school year and last for three years.

Our school has always paid attention to the whole-person development of students. Therefore, we will participate in this programme and arrange for all P.3 students to fill in the "Hong Kong Student Information Form" questionnaire. Students' personal data collected through the questionnaire will only be used to identify the student's developmental needs. All data will be treated confidentially. Please complete the following parental consent form in order to make arrangements. For enquiries, please contact Ms. Cheung Yan Ting.

Yours faithfully,

Chow Kim Ho
