

14th June 2023

Dear Parents,

Circular on payment for Korea Study Tour @ STEM Generation Scheme

Your child has been selected to join the study tour to Korea (circular:22-186/J08). The travel agency, through our school, is going to charge the estimated tour fee as shown below. Our school is informed that the latest estimated tour fee has been increased \$600 for each of the participants due to ticket price fluctuations as shown below. Our school will further subsidize the difference for our students while parents or other family members need to pay the increase themselves. Participants must **pay the latest estimated tour fee on or before 16th June 2023 (Friday)** to confirm admission. If the final tour fee is required to be adjusted due to further ticket price fluctuations, the travel agency will further charge or refund the difference to the participants. **In case of overdue payment, participants cannot join the tour as the travel agency will not charge the fee.** Once the application is accepted, there is no withdrawal. The paid fee is non-transferable and cannot be converted for other uses. Applicants who quit after payment will be treated as withdrawing from this activity. All fees are non-refundable. For enquiries, please contact Mr. Lee Sheung Lok.
