

Dear P.1 - P.4 parents,

**Circular on class allocation in the 2023-2024 school year**

According to the students' learning diversity, some lessons (Mathematics and General Studies) of our school are taught in different medium of instruction (Chinese or English). The Chinese Language has Cantonese and Putonghua as the medium of instructions.

Class allocation is based on students' assessment results and daily performance. The students' class allocation in the coming year will be the same as this year. If any amendments are required, parents will be notified by the school individually.

For enquiries, please contact Mr. Cheng Chung Hang.

Yours Faithfully,

*Chow Kim Ho*
