

Dear parents of P.4 to P.6,

**Circular on Virtual Scenes Creation Programme**

To enhance students’ understanding of Virtual Reality (VR), our school is encouraging students to participate in the “Virtual Scenes Creation Programme”. In this programme, students will learn the fundamentals of VR technology and use CoSpaces to create scenes, such as rocket launches and space stations. Students will also use Mixed Reality VR headsets to experience scenarios like life in space and space experiments. Additionally, the course includes 360° photography and a VR campus tour, allowing students to learn about 360° scene setup and spatial management skills. Through these activities, students will develop creativity and problem-solving abilities. At the end of the course, students’ learning outcomes will be exhibited and shared on an online platform, and each participant will receive a programme certificate. The details are as follows:

Date	17/6, 18/6*, 20/6, 2/7*, 4/7
Time	1:30 p.m.- 4:50 p.m. (*1:30 p.m. – 3:40 p.m.)
Venue	STEM Lab, School
Quota	30 participants
Target	P.4 to P.6 students
Fee	Free (All fees are paid by school)
Remarks	Participants will be guided by teachers of the programme and our school

Please complete and return the reply slip on or before 12:00 noon on 9<sup>th</sup> June (Monday). In case of excessive number of applicants, the school will conduct a selection process (students with a high attendance rate in past school activities may have a greater chance of being selected). Parents of selected participants will be notified separately by 12/6. For enquiries, please contact Mr. Wong Chi Wai.

Yours faithfully,
