

Tsuen Wan Trade Association Primary School

Circular 23-002/K05

1st September, 2023

Dear Parents,

Circular on Tropical Cyclones and Heavy Persistent Rain Arrangements

When the EDB announces that classes of whole-day schools are to be suspended when Tropical Cyclone Signal No.8 is issued or there is persistent rain (Red/Black Rainstorm Warning Signal is issued), students should stay at home or in a safe place. We will arrange staff to look after those students who have already come to school. If the EDB announces that classes of whole-day schools are to be suspended during school hours, all the lessons will be continued until the end of normal school hours. Parents can come to school to pick up their children. Otherwise, students ought to stay at school until the end of normal school hours. We shall ensure the conditions are safe before allowing students to return home. Parents should also pay particular attention to the message sent by the school or the announcements made via radio, television or webpages.

For enquiries, please contact Mr. Liu Chun Yat.

Yours faithfully,

Chow Kim Ho
