Dear parents,

Circular on the Caritas Jockey Club 'One More Lap' Computer Donation Programme

To further help students from low-income families to conduct e-learning at home, our school participates in the Caritas Jockey Club 'One More Lap' Computer Donation Programme organised by Caritas Hong Kong for beneficiary students receiving CSSA, full grant or half grant of the School Textbook Assistance Scheme and other subsidizing schemes from the government. The programme, funded by The Hong Kong Jockey Club Charities Trust, produces laptop computers by recycling the donated laptops after testing and repairing them. These computers, with 12 months of maintenance service, will be freely given to each beneficiary student who participate the programme (quota: 30). If students do not currently have a computer for e-learning, they are welcome to join the programme or seek assistance from the school. If the number of participants is oversubscribed, our school will arrange the beneficiary students to participate in the programme according to the recommendation of registered social workers and our teachers. Participants will be informed about the arrangements and precautions for collecting laptops. For more details, please go to the below website.

For enquiries, please contact Mr. Lee Sheung Lok.
