

Dear Parents,

Circular on Germany and Switzerland Exploration Tour

Our school is devoted to the promotion of STEAM education. Apart from the regular school-based course, "Technology and Life Skills", for all students, we also provide after-school training classes for students to learn about different technologies and science. Our school has also organized study tours to mainland, Korea and Singapore so that participants could learn the latest innovative technology through their personal learning experience. Our school is planning to organize an exploration tour to Germany and Switzerland (9-day / 10-day tour) from 20th July to 2nd August, 2024 (departure date to be confirmed) for students. Our teachers will accompany the tour to take care of the participants and arrange learning activities. The details are as follows:

Event name	Germany and Switzerland Exploration tour
Date	20-7-2024 to 2-8-2024 (9-day / 10-day tour, departure date to be confirmed)
Place	Germany and Switzerland
Quota	About 20 participants (Including students, parents and teachers)
Target	P.1 - P.6 students of our school. Participants must be accompanied by one parent. Other family members are welcome to join. If more than 2 students of our school from the same family want to join, they must be accompanied by more than one parent.
Tour Fee	<ul style="list-style-type: none"> ● Estimated cost per person is about HK \$30,000 (Including board and lodging, transportation, accommodation, meals, taxes, stamp duty and comprehensive travel insurance). ● Our school will subsidize about 90% of the tour fee of the targeted students who have obtained 7,000 or more award points in the "Outstanding Student Award Scheme 2023". The targeted students are required to pay about 10% of the tour fee. Parents and other family members are required to pay the full fee. ● The fee is charged based on half price of the room. If parents accompany their children, the same room is only for the same family. If there are more than two participants who occupy the same room, an additional fee will be charged. The maximum occupancy per room is 3. ● Exact schedule and tour fee will be determined after the number of participants has been finalized. ● Once the application is accepted, there is no withdrawal. The paid fee is non-transferable and cannot be converted into other uses. Applicants who quit after payment will be treated as withdrawing from this activity. All fees are non-refundable.
Travel documents	Hong Kong SAR passport / Chinese passport and tourist visa, or other valid travel documents which should be valid for at least 6 more months.

Students who are interested in the tour should complete the reply slip by 23rd May, 2024 (Thursday) and return it to the teacher. No payment is needed at this stage. In case of excessive number of applicants, a selection will be conducted (Students with a high attendance rate in past school activities have a greater chance of being selected for this activity). Payment will be arranged after the announcement of the list of participants. For enquiries, please contact Mr. Lee Sheung Lok.

Yours faithfully,

Chow Kim Ho
