

Dear selected students' parents,

Circular on Learning Achievement Measurement Kit (LAMK) Assessment

The Education Bureau has developed the 'Learning Achievement Measurement Kit (LAMK3.0)' assessment tool to understand students' learning levels and formulate school-based support plans. The results of this assessment are for reference only and do not involve the school's performance ranking. Therefore, parents do not need to supervise their children to prepare and review.

Our school will assess your children in the three main learning areas of Chinese, English and Mathematics. The details are as follows:

| | |
|-------|----------------------|
| Date | 14/6 (Friday) |
| Time | 8:25 a.m.—10:25 a.m. |
| Place | Hall |
| Grade | P1-P4 |

If it is found that your child needs learning support services, the school will arrange for the student to receive relevant services, and the information will be recorded in the Education Bureau's 'Special Education Information Management System' (SEMIS). For enquiries, please contact Ms. Kwok Hoi Yan.

Yours faithfully,

Chow Kim Ho
