

Dear P.4-P.6 Parents,

Circular on "AI Innovation and National Security" Student Training Program

To enhance students' understanding of AI technology applications and national security issues, the school has arranged a workshop organized by the Hong Kong Educational Equipment Industry Association. This workshop will teach students how to use AI to create short films, showcasing their insights on national security and civic values. The school encourages students to participate in this workshop, and the details are as follows:

Date	19 th October, 2024 (Saturday)
Time	09:00 - 12:45
Location	STEM Lab
Quota	30 participants
Target	P.4-P.6 students
Contents	1. Learning AI technology applications 2. Creating short films
Fee	Free

If the number of participants exceeds the quota, the list will be decided by drawing lots. Students with a high attendance rate in past school activities have a greater chance of being selected for this activity. For enquiries, please contact Mr. Wong Chi Wai or Mr. Chow Kwan Kit.

Yours faithfully,

Chow Kim Ho
