

Dear P.6 parents,

Circular on Application for Cross-Net Allocation for Secondary School Places

Applications for Cross-Net Allocation for Secondary School Places Allocation (SSPA) 2023/2025 are now being accepted. All our P.6 students are in the Kwai Tsing District (including cross-border students). If you would like to change your children’s school net for Part B of the Central Allocation, you may apply for cross-net allocation via our school.

Parents should pay attention to the following regarding the cross-net allocation for SSPA:

1. The applicant should be the parent/guardian of the student according to the record kept by the school and live with the student at the same residential address.
2. The applying student’s residential address should be his/her only or principal place of residence in Hong Kong. Acceptable Hong Kong residential address proof documents include stamped tenancy agreement, demand note for rates and/or government rent, tenancy agreement or tenant’s rent card issued by the public housing authorities, residential telephone bill, and the bills from utility companies (Towngas, HK Electric, China Light and Power or Water Supplies Department). Other documents such as bank statements and mobile phone bills will not be accepted. The name and address of the parent/guardian (i.e. the payee) must be printed on the Hong Kong residential address proof document.
3. Students who are in need of cross-net allocation will get the application form. They need to submit the form with copies of relevant proof documents to the school on or before 16th of December, 2024. Parents/Guardians are also required to present the original copy of the documentary proof to the school for validation.

Yours faithfully,
