

Dear parents,

Circular on Purchasing Mobile Devices (and Quality Education Fund e-Learning Funding Programme)

As mentioned in the previous circular (24-058/L10), students will bring their own mobile devices to school and study at home in the future. Our school is applying for the Government's the "Quality Education Fund e-Learning Funding Programme-Provision of Mobile Computer Devices and Internet Services Support", which arranges schools to purchase mobile devices, portable Wi-Fi routers and/or data SIM cards for lending to needy students (students receiving CSSA, full grant or half grant of the School Textbook Assistance Scheme). After the tender procurement process, the school will appoint "HKT Education Limited" as the supplier. The details of the equipment are as follows:

Purchase items	Prices of the supplier
Apple iPad WIFI 256GB (10 th generation) Sliver	\$ 3,628
Apple Pencil (1 st generation)	\$ 686
Earphones	\$ 136
Screen protector	\$ 60
Device protective cover with pen clip	\$ 78
MDM system	\$ 220 (3 years)
Total	\$ 4,808

Our school will announce the results of the application and the arrangement through the eClass "School Announcement". Students need to return the mobile devices and/or the portable wireless network routers and mobile data cards to our school at the end of the scheme, or after graduation, so we can lend them to other students in need. As the mobile devices and routers are government resources, there will be compensation for the device if there is any damage.

In addition, unsuccessful applicants may consider purchasing mobile devices by themselves or through our school. Our school will arrange the supplier to set up a trade fair for parents to order any purchase items listed above. Also, it is also suggested to buy MDM system(1year/2years/3years) and 3 years Apple care+ services. Parents do not have to pay any fees at this stage. Details are as follows:

Dates	18 th December, 2024 (Wednesday)	21 st January, 2025 (Tuesday)
Time	11:30-16:30	
Venue	Activity Room	
Target	Students who need to pay
