

Dear Parents,

Circular on "National Education and National Security Education, Media and Information Literacy Education" Online Learning Platform

The Education Bureau has all along been encouraging schools to take cultivation of positive values and attitudes. By making use of everyday life events to strengthen the coordination of learning activities and enhance the connection among various cross-curricular domains in values education, including civic education, Constitution education and Basic Law education, national education and education for sustainable development, etc., we can provide students with all-round learning experiences conducive to their whole-person development.

In order to further promote national education, national security education, as well as media and information literacy education to enhance students' sense of national identity, students are now encouraged to make good use of the online learning resource "Sing Tao Learning Platform" to learn. The details are as follows:
