

Dear Parents,

Circular on the Student Health Service & School Dental Care Service

Enrolment for the Student Health Service (SHS) and the School Dental Care Service (SDCS) of the Department of Health will soon begin. A joint enrolment form has been prepared and parents just need to fill in one form to receive either or both services.

The application of the programs are accepted online. Parents must complete the online application form using the QR code below and submit it to the school on or before 2nd September, 2025. Late applications will not be accepted.

The SHS is free of charge for eligible students listed in the form and HK\$36 should be paid for the SDCS. Starting in October 2025, parents of students enrolled in the School Dental Care Service will receive an SMS message regarding payment and are reminded to settle it as soon as possible. Otherwise, it may affect the service arrangements, and the dental clinic may not be able to provide services.

If parents would like to know more about online registration or filling out the form, please click the following link or scan the QR code on the right to watch the "Online Registration Guide " video:
