Circular 25-178/N01

25th March, 2026

Dear Parents,

Circular on Staff Development Day

A quality, professional teaching workforce drives quality education and improves student learning. Therefore, teachers' continuing professional development is very important. Our school frequently holds various professional development activities for teachers on a range of topics. These activities fall into four core domains: (i) Learning and Teaching; (ii) Student Development; (iii) School Development; and (iv) Professional Relationships and Services. This school year, we will hold two Staff Development Days on 16 April 2026 (Thursday) and 17 April 2026 (Friday). All teachers will participate in teacher training.

There will be no school for students on those two days. Students should use the time for revision or preparation at home. Fees collected for ordering lunch on those days will be refunded. For enquiries, please contact our Vice Principal Ms. Ko Ka Foon.

Yours faithfully,

Chow Kim Ho
