4th September, 2026

Dear Parents,

Circular on Arrangements of the Consent Form for the Seasonal Influenza Vaccination

To protect students' health, our school has arranged for students to receive the Seasonal Influenza Vaccine on 19th November, 2026 and 27th January, 2027. As The 'Electronic Consent Form' (eConsent) function for the Seasonal Influenza Vaccination School Outreach Programme is now available on the eHealth mobile application, parents can choose to fill out the consent form on paper or use the eConsent function of the eHealth mobile application to submit the consent form for your child. However, both parents and students must already be registered with eHealth and have the eHealth mobile application installed in order to scan the QR code and submit the eConsent via the application.

If parents submit a consent form of seasonal influenza vaccination through the 'eHealth', please fill in the information and submit the electronic consent form via the school-specific QR code issued by the Department of Health below on or before 14th September, 2026. The QR code will expire after the deadline.
