

16th January, 2020

Dear Parents,

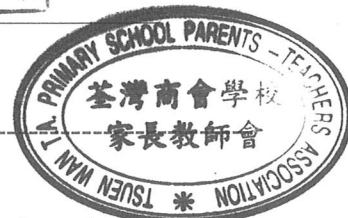

Circular on parent volunteers team

Our association has been promoting cooperation between family and school. Now we set up a parent volunteer team to support school activities and respond to community needs. Parents are encouraged to participate in volunteer work with your children on or off campus, setting a good role model for our students and enhancing parent-child relationships. It is also a good opportunity for our parents to know more about our school affairs. You are cordially invited to facilitate the development for our students and the school. Please fill out the form attached and submit to the class teacher.

For enquiry, please contact Mr. Wong Kam On or Ms. Cheung Yan Ting.

Yours faithfully,

Xie Maggie
Chairlady
